The United Nations Charter (1945)

Even before World War II was over, the United Nations met in San Francisco from April 25 to June 26, 1945, to create a new world organization to preserve peace. The Charter that was written and signed in San Francisco was reproduced in exact facsimile by the Department of State and each signatory nation was officially supplied with a copy. This is the United States' official copy. It is bound in gold-embossed blue morocco leather as is the original and bears on the cover the seal of the United Nations. Reproduced here is the signatory page of the United States and Great Britain. Opposite, is the signatory page of the Soviet Union.
